

St Benedict's School Strategic Plan and Values 2017-2021

Excellence in Education

Enable students to achieve personal excellence in their learning.

GOAL 1

Children have an understanding of the different cultures that make up the St Benedict's community, especially acknowledging the unique place of Maori as Tangata Whenua.

GOAL 2

To provide learning opportunities that enable all students to achieve to the best of their potential.

GOAL 3

To provide professional development opportunities to teachers that are aligned with best practice and facilitates the learning of all students (as per goal 2).

CREATIVITY

Communication

Ensure effective communication between school, whanau and the community.

GOAL 1

Parents/caregivers (and where appropriate, the wider community) are informed and aware of key information relating to the school/ students.

GOAL 2

Promote the Catholic character and successes of St Benedict's School and its students to the wider community to maintain its identity in the Parish/community, and encourage enrolment.

Y

Catholic Character

Enable students to deepen their understanding of their faith.

GOAL 1

To promote the Catholic Values learnt through the Religious Education programme and celebrate the positive impact on the school culture.

PERSERVERANCE

School Environment

Provide a physical environment that is fit for purpose and enhances learning.

GOAL 1

The school works to create a fit for purpose environment with a focus on raising the student's awareness of the impact we have on our surroundings.

GOAL 2

The board, in consultation with the community, staff and students creates and follows a plan for upgrading the school environment.
