Dear Parents / Carers,

THE PRIVACY ACT AND SCHOOL LISTS

Every year at St Benedict's School, address and contact lists are prepared showing all students enrolled at the school, their caregiver / parent / guardian, residential address, telephone numbers and other relevant contact details.

These lists have from time to time been used by the Board of Trustees and HoK Committees to make contact with parents on a variety of matters; for example, letters from the Board Chairperson on administration matters and telephone calls asking for parents help on fundraising ventures.

We would like to have the lists available to both the Board of Trustees and HoK committee but, we also wish to be able to make it available to other families at the school as requested (the reason must be for school related business and permission must first be granted by the Principal).

To make sure the list is not used by outside organisations there would be a clause printed on the lists that prohibits the use of the list for anyone outside of the school community and for anything other than school-related business.

If you have no objection to your details being included on this list or being available for any use other than that of school issues relating directly to your child(ren) please tick the appropriate boxes on the form below and return to the school office as soon as possible. *Please note you will still continue to receive all material emailed home or sent home with your child(ren) from the classroom.*

School Website

When updating our school website we like to include photos of the children at work or play and need to know that you give your permission before a child is photographed. Please indicate your permission in the box below.

Yours sincerely,

Michael Hinds
Principal – St Benedict's School
